

# Meeting minutes

Standup Meeting

03/09-6:09pm

## **Present:**

Jia Bang Vuong

Sophia Nguyen

Jessica Michelle

Han Chien Leow

## **Apologies:**

Jacob Morris

## **Agenda:**

Where is everyone up to

Need to increase working pace to complete all functionality in sprint 1

## **Points:**

Progress since last meeting:

- Sophia + Jessica – working on connecting frontend with backend using software (axios, redux, etc.)
- Han – worked on code regarding mysql for database structure + queries

Issues:

- Problems regarding Axios when working in the front end
- Some members had problems with the JWT in the backend
  - Problems with creating a bean for authenticationManager

## **Actions:**

- **Next meeting is Saturday 9pm**
- Frontend members (Sophia, Jessica, Jacob) focus on completing connecting frontend with backend by next meeting
