Agenda:

Points:

Progress since last meeting

As a group:

Backend:

While the main functionality of sprint 1 was finished, Han is now editing and testing the database files.

Jia is continuing creating booking functionality. He has finished with the model and repository classes and is currently working on the service class.

Sophia and Jessica are both working on the front end, and are making sure that the front end is working, then will continue with working on booking functionality on the front end.

Issues:

Actions:

- **Next meeting is Monday 4PM**
