

# Meeting minutes

Standup Meeting

27/08-4:00pm

## **Present:**

Jia Bang Vuong

Sophia Nguyen

## **Apologies:**

Jessica Michelle

Han Chien Leow

Jacob Morris

## **Agenda:**

Daily Meeting

Where is everyone up to

Jia

- Started working on account classes after fixing some previous issues

Sophia

- Successfully checked that react works with backend

## **Points:**

Progress since last meeting

Jia

- Fixed issue with running demoApplication
- Started working on account and writing up on account repo, services, etc.

Sophia

- Has successfully checked for person functionality in backend on postman and h2 console
- Started adding and connecting react files to backend
- Added bootstrap to backend

#### Issues

- Not sure how to continue on working with logging in functionality. Will look online for sample solutions and guides for logging in via spring-boot

#### Actions:

- **Next meeting: Friday or Saturday**
