

Meeting minutes

Standup Meeting

09/09-4:00pm

Present:

Jia Bang Vuong

Sophia Nguyen

Jessica Michelle

Apologies:

Jacob Morris

Han Chien Leow

Agenda:

Where is everyone up to

Jia has started looking into how to implement booking functionality into the backend.

Points:

Progress since last meeting

As a group:

Back End:

- Jia has been looking into sample booking code and has written some classes into his branch.

Issues:

- Jia was unsure as to the format for writing the JUnit tests, based on unit tests online and from previous subjects (software engineering fundamentals)

Actions:

- **Next meeting is Thursday 4PM**
