02/09-4:00pm

Present:

Jia Bang Vuong

Sophia Nguyen

Jessica Michelle

Han Chien Leow

Apologies:

Jacob Morris

Agenda:

Where is everyone up to

Points:

Progress since last meeting

   As a group:

   - Login backend is complete
   - JWT nearly complete – needs to be tests
   - Front end page designs are completed – but not connected to backend

   Issues:

   - Front end is harder than expected – need some help with connecting to backend
     - Need some help/guidance with axiom, redux, etc.

Actions:

- **Next meeting is Thursday 4PM**

- Members will continue to work on their respective sections, also starting to write tests and other stuff
